

Advocacy toolkit

World
PT Day
2021

The following advocacy materials are available on the World Physiotherapy website which may be useful for this year's World PT Day campaign.

COVID-19 briefing papers

World Physiotherapy has published nine briefing papers on the impact of COVID-19 on the physiotherapy profession, including a briefing paper on safe rehabilitation approaches for people living with Long COVID: physical activity and exercise

<https://world.physio/covid-19-information-hub/covid-19-briefing-papers>

Long COVID resources

Resources to support the understanding and management of the consequences of Long COVID

<https://world.physio/covid-19-information-hub/long-covid>

Long COVID discussion session

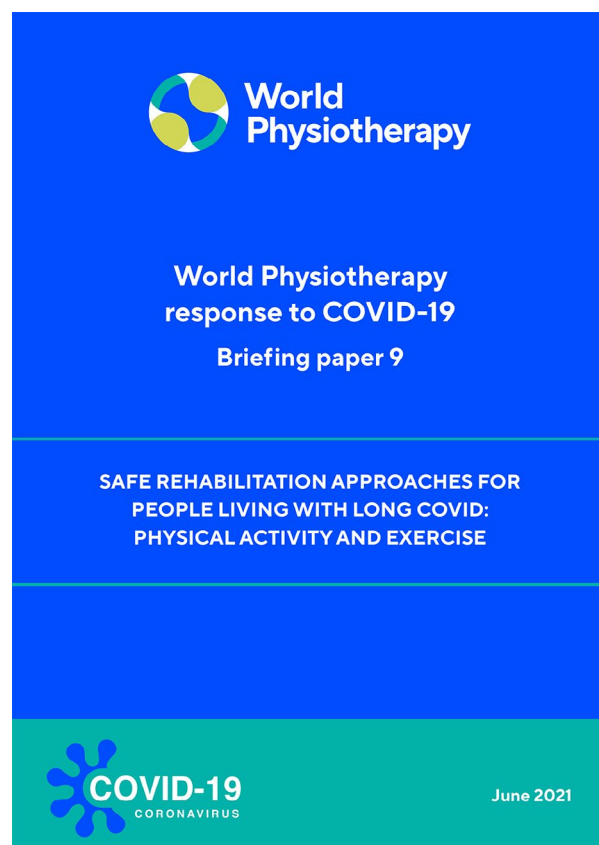

Watch the open access discussion session on Long COVID from the World Physiotherapy Congress 2021, chaired by Darren Brown

<https://wcpt2021-stage.conf2go.app/#/app/sessions/da7ad0c0-3ed1-4500-1166-010000000083>

COVID-19 information hub

World Physiotherapy has developed a global hub for information and resources about COVID-19 relevant to the physiotherapy profession
