

A Report on World Physical Therapy Day 2019 Celebrations Muscat, Sultanate of Oman

National Medical Services (NMS) carried out several activities to mark World Physical therapy Day Sept 8th 2019 by creating awareness among the public and non-medical staffs of NMS.

During the day an interactive kiosque with games, quizzes & Exercises were held. Ergonomic advice to office staff was given as well.

Patient Education Booklet on Physiotherapy/ Stroke/Physical activity written by Subramanian Natarajan, HOD of Physiotherapy was released by Medical Director & Operations Manager of National Medical services.

On a whole, World Physical therapy day celebration was huge success.
