

## WORLD PHYSIOTHERAPY DAY 2020 - OMAN

**National Medical Services, Oman** celebrates and raises awareness around the crucial role played by physiotherapists in rehabilitating patients especially post covid persons by keeping them well, mobile and independent.

**Dr.Subramanian Natarajan PT, Physiotherapy Department Head**, National Medical Services, said staff came together to celebrate the International awareness day.

"World Physiotherapy Day marks the unity of the global physiotherapy community and is an opportunity to recognize the work that physiotherapists do to keep people well, mobile and independent."

Dr.Subbu HOD, Rehabilitation Department delivered a online talk using social media with the theme of WCPT 2020 to raise the awareness of the community about the importance of physical activity.

On this occasion, Physiotherapist pledge was taken by our Physiotherapists team – Dr.Khaja Fareeduddin PT, Dr.Ahmed Rashad PT, Dr.Nafisa Faroug PT& Dr.Varalakshmi Dillibabu PT.

The program was attended by the Mrs. Amani & Mr. Othman Operations & Marketing manager of NMS. The event closed by thankful note to all our team members and other medical & admin staffs of National medical services.
