

Candidate statement

Assoc.Prof. PhDr. Magdaléna Hagovská, PhD., Cert.MDT.

Physiotherapist 23 years of clinical practice, university teacher, 13 years, Slovakia .

I consider myself suitable for this work because I have extensive clinical experience as well as experience in research. I have been a university teacher for 13 years. I am teaching at the Medical Faculty physiotherapists, medical students, dental medicine and nurses in Slovak and English. I am working in expert and scientific committees ICS Physiotherapy Committee.

I am a member of accreditation commissions. I participate in accreditation processes of undergraduate and postgraduate studies.

Awards: The Physiotherapist of the Year 2019- award from the Chamber of Physiotherapists and the award for the best scientific publication in 2020.

Our top priorities are: in cooperation with the Slovak Chamber of Physiotherapists, to develop professional and scientific cooperation with a team of delegates from WCPT.
