DAY
[8th SEPTEMBER]**

ACTIVITY REPORT ON WORLD PHYSIOTHERAPY DAY 2022

As a global organisation, **World Physiotherapy** advocates for the profession at an international level by collaborating with our member organisations to:

champion access to affordable health care for all, promote and support evidence-based physiotherapy practice, develop and deliver the highest possible standards of physiotherapy education. In line with the thoughts of **WCPT Physiomax Organisation** One of the reputed Organisation of Kolkata, West Bengal engaged themselves to spread proper healthcare facilities and rehabilitation for society and engaged in advance Physiotherapy Education and Research. Since 11 years this organization working for the community healthcare developmental programs under their various projects.

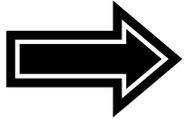

In 1996, 8 September was designated as World PT Day. This is the date World Physiotherapy was founded in 1951. The day marks the unity and solidarity of the global physiotherapy community. It is an opportunity to recognise the work that physiotherapists do for their patients and community. Using World PT Day as a focus, World Physiotherapy aims to support member organisations in their efforts to promote the profession and advance their expertise. With the same thought this year too World Physiotherapy celebrated the special day in focus of the theme "ROLE OF PHYSIOTHERAPIST IN THE PREVENTION AND MANAGMENT OF THE PEOPLE WITH OSTEOARTHRITIS". Physiomax organisation actively involved this year too to celebrate the special day with different activities to help the society.

Physiomax Organisation not only celebrated the day on the date of the event but engaged themselves to serve throughout the year.

Some of the key activities where Physiomax organisation with their team members actively involved were:
