[00:00:16] Yes. Um, now can we start? Yes, we would like to. Request, uh, with passion. So, uh, tomorrow session or the. Joy sharing session? Tomorrow the presentation. Now we. Want to. Share. Abortions.

[00:01:07] Are set up. So they are. Not going to be able to really see. Hello. Sorry about the sharing session. By the way. Recently. Tomorrow. Tomorrow. Tomorrow. Tomorrow. And the inclusive. Humanitarian. Sharing session. Today and tomorrow. The sharing session. Uh. Uh uh. Uh. Uh uh. Uh. Uh uh uh uh. Now. Luke. Luke. Luke. Luke. Also said, and now we may be. Able to say ah ah ah ah ah ah. Ah. 0000. Now. That's a power. I know, I. Know. I know. And then somebody told me about. The Physiotherapy. Power and quality of life. And then. Promoted. To. Go along and do it well. And. Then go all the way to the United Nations convention on the Basel Convention on the Rights of Persons with disabilities, the CRPD. She described the amount. Of money that you know and all the, you know, Although the. Song and then some people. But then as we go along. No no. No no no no. No. No. No. No. No. No. The the. Solution. Solution. Solution. Solution. I know, I know. Solution. And then. Solution. And then. At. The zoo. Zoo. Zoo. Zoo. Zoo. Zoo. Zoo. Zoo. But then. At the moral assessment. At the end. Of the. Day at the. And. I know I need to. Do and I know that. And. He also. And then we. Know very happy about it.

[00:09:32] But then. You don't need it any time. Tomorrow. But then. And now. It's time to read the essay by Saya Saya Saya Saya as a senior aide to. Anita. Anita. And don't. Worry. About. Tomorrow. But then. Tomorrow. But then. The. Admiral will be. Alone, then. And. And it will be a long term solution. It will be a new. Facility. It. Will be like me. Alone. Alone. Leave me alone. I don't know how. Much longer. But then I don't. Know what lot. Better. At this than me. I think a lot. More. Than. A. Century ago. And medieval. And medieval. But there's only. So. Much. You. Can do. Through machinery. And I know there's. Only so. Much you need. And now and. Then. And maybe. And then. But then. Turned. Around and looked. At. Me. And I it at all. La la la la la. La la la la. La la la la la la la la la la. La la la la la la la la la la. La. La la. Come on. Come on. And look. At this. Recently. I know there was. No tomorrow. And don't know. Don't know. And then suddenly. I don't know and you know I don't know. But then. I don't

know, I don't know. I don't know, but then you know. You know I don't know. You don't know.

[00:15:31] But then. But then. Accountants are able to stay in the loop. Tie it around. My neck. And. Neck with the. Solution. And then sit here and say. No. But then. There's a minute, a minute. And the county. Needs to go and come when you don't know and don't know. What? Today and tomorrow. And the only thing that's come out the other day. And that is. Come away, come away. Come away. But then. You are like. No and. No. And then a. Person first language. That person first language. But then. And then. And. See. You tomorrow. And certainly. Not as first language. Look at the disabled person. Disabled. Handicapped person. Handicapped people. You don't know. You don't know. But then the woman. With disability. Children with disability. Child with disability. Now, I don't know. But then you. Don't know. And now you don't know. So. I. The woman on the boat to the sound of your lower body. And now we see you again. Upon a time so lonely at. The moment. I. Don't know how to marry the admiral. And now I. Also know that there's. No solution. But there's. Pay attention to what? She needs. To do. And then do it. And? Maybe. There are. A. Million other people. And now there's a better way to do. It. The more you. Ability. To use I don't.

[00:20:44] Know. And. Then. And then we have, you know every now and. Then. You know, you and I knew that it was very readable. And now and then. But you. Know the assessment and, you know. And then at the end. You. Know I'm not. Like you. Know a guy at the table and three people and I. Know. I know, but there's like. There's. No tomorrow and I. Also know that tomorrow. And see. Today. Tomorrow and tomorrow. And. Tomorrow. And tomorrow. And tomorrow. And. Tomorrow. And today we are. Also the. Calm. You know. But there's. No doubt. That. Every. Day By now. But there's also. A. Resolution to the ballet and the Soviet ballet. As you really need to pay attention to. And. Then tomorrow. And tomorrow. No, no. Not tomorrow. Tomorrow. Tomorrow. And the. Karma. Karma. Karma is a ballet. Ballet? Dancer and the apostle said. We. Will not let you go. And now we. Are down to our local time of the year and the. Newly. Married couple. Tomorrow. Tomorrow. Tomorrow. Tomorrow. Tomorrow. Tomorrow. Tomorrow. Tomorrow. Tomorrow. The long term solution. And. Then you add it all. Up and. You don't. And then also, you know. Along. The side by side. Appollonio. And. Then José Maria and I will be. Sharing session level again tomorrow. Oh, ma ma ma ma ma ma ma. Ma.

[00:27:43] Well, you. Know. I. Didn't really know about the bureau. And you know, we never knew. No, no, that's. Not true. The that are going to. Share it. And the. Solution that Lydia and. I don't. Know I don't. Know. But I don't want. To be. Alone. And you know. I know they are going to be the emergency people. Come and join. Me? Tomorrow. Tomorrow. No. No. Sonata. No. Sonata. No. Sonata. No. Tomorrow. Tomorrow. I know, I know. Dance dance, dance. How did you know? I know when I want you to know. Tomorrow. Tomorrow. Tomorrow. Tomorrow. I know, I know, I know. In Through. The portal. In any opinion? You know I love you. When do I need to know? You do? Not tend to me. And when I know a solution. I do not. Know my room. And my definition, you know. And. I. Don't know any solution.
