The programme marking International Physiotherapy Day, organized by the College of Physiotherapists, was held at the Lady Ridgeway Hospital for Children under the patronage of the Hon. Minister of Health and Mass Media, Dr. Nalinda Jayatissa.

The event was attended by alongside numerous consultant doctors, physiotherapists, nursing staff, supplementary and allied health professionals, management assistants, and health support staff. The Hon. Minister of Health delivered a lengthy address at the event. Other speakers included Mr. Jaliya Uduwella (President of the College of Physiotherapists and Physiotherapy Superintendent at Lady Ridgeway Hospital for Children),

Additionally, a new magazine published by the College of Physiotherapists was presented to the Hon. Minister of Health.

Physiotherapists from hospitals across the island attended the event.

In line with the theme designated by the World Confederation of Physical therapists for this year—focusing on physiotherapy interventions for cardiovascular diseases—the College of Physiotherapists Sri Lanka has organized a series of programs across the island.
